

# 6 THINGS TO DO IN 8<sup>TH</sup> GRADE TO GET READY FOR HIGH SCHOOL

01.

**Move toward independence.**

Have **them** start following the lesson plan, checklist, or planner.

**Work on time management.**

02.

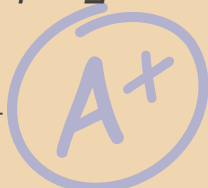

Teach them to stay on top of assignments.

03.

**Practice grading.**

Be sure they are familiar with the grading scale and practice keeping grades.

**Let them earn high school credit.**

04.

If they are ready, start earning credits toward graduation.

05.

**Start keeping records!**

Practice now before it really matters!

**Remember to enjoy your child.**

06.

Don't make your homeschool all about school.
